ABOUT GIA STUDENT WORKROOMS

GIA Student Workrooms provide convenient and affordable access to all the equipment and gemstones you need to complete most of the practical requirements of your Distance Education Gem Identification course. A GIA instructor is right there to answer any of your questions. This self-study room is also available if you need to prepare for your 20-stone final exam, take a supervised exam, or simply practice using equipment and gemstones. Alumni are welcome to take advantage of Student Workrooms as well.
